

Dispatcher Customer Service

CCN#1463-30874

Students who attend will learn customer service knowledge and mindfulness tools to aid in providing services that are more efficient and effective, while also being able to minimize burnout

By implementing the knowledge learned in this course students will be able to better take care of themselves as they provide improved customer service to the public and the public safety personnel they interact with.

Tuition: \$125.00.

Plan: IV. Travel and per diem reimbursement.

Cost: Non-Reimbursable

***Must be a currently employed public safety dispatcher to attend.**

Earn California POST Credits (CPTS) and engage with the super important topic of Customer Service from a fresh perspective.
